

I am an active-duty Army spouse of 14 years, and I have two children (Austin, 12, and Claire, 10). When I'm not volunteering, I work for the Military Child Education Coalition (MCEC) a non-profit focused on academic and social transition challenges for military-connected children.

I have been involved in Spouses' Clubs throughout our time in the military in four different locations and have served in a variety of positions including First Vice President, President, Special Events/Fundraising, Membership, and Hospitality/Vendors.

I enjoy meeting new spouses and giving back to the community at Fort Sill for our second time here. I look forward to serving this year with the Patriot Spouses' Club as the Membership Chair!
