

Hello, I'm Candice (Candi) Cartwright, new to Oklahoma. My husband and I married in April 2005, and Fort Sill will be our 7th move together with the Army. I am a proud parent of two active-duty Army servicemembers, one SCAD college graduate and Naoni to 8 beautiful grandchildren, and dog Mom to our Australian Shepherds: Tove and Koda. My grandchildren and dogs are the joys of my life. Don't tell my husband or kids! I am also a 6-year breast cancer survivor (thrivor).

Growing up in Louisiana, I learned early on that volunteers create the communities we wish to see and live in, and Spouse's Clubs has given me that opportunity as we've traveled the world. In my first year, I volunteered as the Thrift Shop Liaison for the Hui O'Na Wahine in beautiful Hawaii, and I've been a fan of Spouses' Club ever since!

Sixteen years later, continuing to give my time to the Army Community has been a fulfilling experience and fuels my serving heart with joy. While hard, each PCS brings so many opportunities to meet new people, explore new areas, and grow in our personal lives, while hopefully enriching others. I look forward to serving as the Webmaster for 2022-2023. Let's play some Bunco!
