

Welcome to the Fort Sill Patriot Spouses club! We are thrilled to start the 2022-2023 board year.

I am truly honored to be serving as this year's President. I am looking forward to growing, serving, and supporting our community alongside each one of you. By volunteering, we can make an impact in our local community. We have proved that we are determined, motivated, resilient, and willing to help make a difference. I've seen incredible bonds form among the spouses in this club. Seeing those bonds over the year has brought me to my vision for this year.

My vision is to go back to our roots as a club. Sometimes life gets in the way, and we forget how strong our military family is. The possibilities are endless when we all come together, and the memories are forever.

What are you looking forward to? I am excited to see each and everyone one of you and all the exciting things we have been planning come together.

I am excited to announce that we will be holding most of our luncheons at the Fort Sill Patriot Club. I genuinely hope you enjoy being a part of this club, and we can help make history together. Making wonderful memories is a blessing, but having your friendship is priceless. We have incredible events planned for this upcoming year so stay tuned. ;)

As your president, I welcome any questions/concerns you may have to help make this year the best it can be.

Lauren Taylor
